An asset for the development of your company

In the business world, the ability to understand and be understood by your international partners is crucial to the success of your business.

The **Diplômes de français professionnel** are conceived to reflect the reality of your business sector. They enable you to identify the competencies in French that you will be able to use to develop your business activity in a francophone environment.

"I was sent to France to develop new markets. Before starting negotiations, I was advised to take the Professional French Language Diploma Business C1 in order to strengthen my French language skills and to attend an intercultural seminar on the business world at the Paris Ile-de-France Chamber of Commerce and Industry. This greatly helped me conduct meetings with the French. Now, I know how to interact with the French and am more at ease in my work."
