PARIS BOOK market

1 & 2 June 2023

Like last year, the Paris Book Market 2023 will enable foreign publishers who are interested in acquiring rights for French titles to meet the rights sellers of French publishing houses.

- A chance for French rights sellers to showcase their catalogues to their international partners.
- An opportunity for international publishers who are interested in acquiring rights for French titles to meet the rights sellers of French publishing houses.
- Registration is ongoing for French attendees. In the meantime, take a look at the list of French participants from 2022 on our website: bief.org
