by Valérie Lemerrier**

Exclusive release at Ciné Lumière from 2 March 2022

An inventive and exhilarating re-imagined biopic of Céline Dion by Valérie Lemerrier (Palais Royal!), ALINE is being screened exclusively at Ciné Lumière for a limited time from 2 to 30 March. Presented in Cannes last year and one of France's biggest critical and public successes, ALINE has picked up 10 nominations at the César awards.

Synopsis

Quebec in the 1960s: Sylvette and Anglomard welcome their 14th child, Aline (Valérie Lemerrier). In this modest family, music is king. When producer Guy-Claude (Sylvain Marcel) discovers Aline and her golden voice, he has only one idea in mind: to make her the greatest singer in the world. Supported by her family and guided by Guy Claude's experience and budding love for her, Aline will create an extraordinary destiny for herself and become a global sensation.
